NEWS FROM FARTHING WOOD:

Inspiring Excellence Across the Curriculum...

Congratulations to Noah who has represented Trewidland School admirably throughout this year's cross-country season. We are very proud of all you have achieved! Please see his photo further down in the newsletter.

A warm welcome to Lillie & Charlie who have recently joined our class & settled into school life quickly. They have enjoyed getting to know all our wonderful class members & our children have warmly welcomed them into our Trewidland family.

NEWS FROM HUNDRED ACRE WOOD:

This week in Hundred Acre Wood Class, we have been busy learning about Red Nose Day! In maths we have been learning about shape. We have been exploring different 2D and 3D shapes. We have learnt about the properties of shapes and how we can use them to create art and patterns.

In English, we have been writing our own Mother's Day poems. We have been using our rhyming word knowledge to think of a ways we can express our appreciation for everything our Mum's do for us.

A short, but fantastic week of learning.

Mrs Pearson & Mr Lovell

NEWS FROM GRUFFALO WOOD:

Gruffalo have been working hard to consolidate a lot of their learning this week by creating their very own cards to show their Mummies how much they love them! These works of art have included their own special hand written message from each child using the sounds they have been learning. We then used sticky bows to create flowers using different colours to create repeating patterns.

Our special sound this week has been 'u u u umbrella' which was very useful when we were writing 'mummy'! Our sound knowledge continues to grow as we are starting to blend sounds with increasing confidence as well as identify sounds in our reading books.

Super learning! Miss Hume
