INSPIRING EXCELLENCE ACROSS
THE CURRICULUM

COMING UP NEXT WEEK

Next week we have an amazing opportunity for your child to learn and develop their biking skills.

Our school has invited the Bikeability instructor coming on Friday 19th and Monday 22nd May to run Bikeability lessons for children in Year's 3-6 (Level 1 - Year 3 and 4 & Level 2 - Year 5 and 6). This is a fantastic opportunity for your child to learn how to ride safely and confidently. Parental consent forms were completed last term when this was originally planned, if you are unsure whether your child is expected to take part then please contact Mrs Palmer.

Please bring your child's **roadworthy bike** and helmet into school **on Thursday afternoon**. Bikes can be stored securely at school for the weekend. If you would like to take them home on Friday and return them after the weekend, that is also possible.

NEWS FROM FARTHING WOOD:

We couldn't be prouder of our amazing Year 6 children this week who showed resilience & determination throughout their SATs week! Well done children, you navigated those tricky tests with consistent smiles and admirable positive attitudes. We hope you enjoyed your special (extra) breakfasts this week & end of SATs Party this afternoon! In other learning, we have been focusing on our topic-related non-fiction information text writing; learning about how wartime machinery was used throughout World War Two. Children have written beautiful knowledge organisers, as well as, fantastic reports explaining how Spitfires, tanks, submarines and other aircraft were used throughout the war. Remember you all have a full day of Wild Tribe on Monday 15th May - next week!

Mr Lovell & Mrs Moore

NEWS FROM HUNDRED ACRE WOOD:

The countdown is on for SATs week and Year 2 are putting in the hard work to be ready for their exams! From practicing maths problems to revising their times tables, our Year 2 students are determined to get the best possible score. Meanwhile, Reception is working on phonics and blending, practicing their sounds and writing at home. And in a fantastic display of teamwork, Year 1 has been joining forces with Year 2 on maths and producing some remarkable work!

We're incredibly proud of all our students and their efforts. Keep it up everyone - you're making fantastic progress!

Mrs Pearson & Miss Hackett

NEWS FROM GRUFFALO WOOD:

It's been another fantastic week of learning in pre-school. We are continuing to investigate the differences between the older animals and their young and are starting to make predictions about what will be different. What brilliant learning! Our special sound has stayed the same this week, focusing on "h" for "horse", but now we are reading words starting with this sound along with the other sounds we have learned. We can now read four letter words like hats, stop, clap and spot which is absolutely amazing work! We are looking, in maths, at one more and one less using different counting songs to help figure out what the next number in the pattern will be.

Outstanding!

Miss Hume
