

What's been happening in School:

It has been an incredible few weeks of learning in our classes, filled with excitement and bustling activities! Let us share with you some of the highlights:

Magnificent NSPCC Number Day

Our children had an absolutely delightful time on the 2nd of February 2024 as we supported the NSPCC by actively participating in their wonderful Number Day event.

We invited everyone to join us and engage in a myriad of captivating activities, engaging games, and dress-up extravaganzas themed around numbers. All the while, we strived to raise funds to support crucial services such as Speak out Stay safe and Childline.

What's been happening in School:

A Palatable Potpourri of Learning

On Tuesday, our children embarked on an exuberant culinary adventure, as they whipped up a batch of delectable pancakes!

We incorporated lots of learning into this fun activity - instruction reading and writing, calculating and measuring. We challenged the children to solve the calculations of our ingredients as well as weighing them and reading some tricky red words in the instructions. This session not only gratified our taste buds with its scrumptious outcome but also proved to be an enriching and enjoyable lesson for all involved.

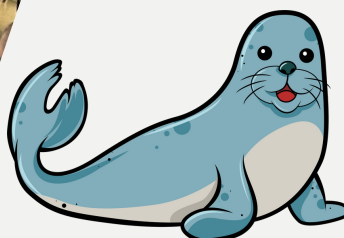

Making a Splash with SEALIFE

On Tuesday, the 6th of February, our school enjoyed a visit from the Cornish Seal Sanctuary's SEA LIFE branch. In an effort to provide our pupils with an unforgettable experience, these experts conducted a range of captivating and enlightening workshops, carefully tailored to meet the needs of our students.

During this visit, we had the absolute pleasure of meeting an utterly adorable toy seal pup, whose enchanting tale pulled at the strings of our hearts.

As we plunged into the hypnotic depths of the ocean, we unraveled the mesmerising layers that lie beneath its surface. This profound insight into the oceanic world left an everlasting impression us all, transforming the occasion into one filled with immense joy and complete satisfaction.

What's been happening in School:

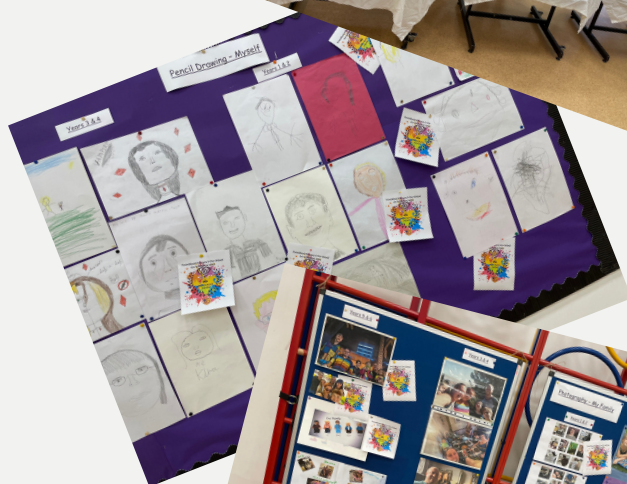

Captivating Art Exhibition Celebration

Thank you to all who participated in and attended our Art Exhibition, which took place on Wednesday 7th February. It gives us immense pleasure to have witnessed the astounding entries, expertly crafted by our gifted students, showcasing their artistic prowess.

The task of awarding certificates and prizes was extremely challenging, owing to the sheer abundance of exceptional talent on display.

We would like to express our heartfelt appreciation to the PTA for their invaluable assistance in organising this truly splendid event. A shining example of teamwork and dedication, it wouldn't have been possible without their support.

We extend our thanks to the parents who diligently collaborated with their children in creating these marvellous exhibition pieces. We understand the time and effort invested at home in nurturing such a remarkable event.

Upcoming Events:

TREWIDLAND PRIMARY & PRE-SCHOOL

Our school is focusing on the value of compassion this term. We believe in showing we care through acts of kindness and thinking of others. As part of our effort, we invite you to bring along any adult or children's clothes, paired shoes, handbags, hats, bags, scarves & ties, jewellery, socks, belts, soft toys, household linen, curtains, towels, or bedding that you no longer want but are still in good condition. At our swap event, you can exchange your items for something else and make a small donation if you wish. All items that remain, after the swap shop, will be donated to our PTA Bag2School event the following week.

SWAP

20TH
FEBRUARY
2.45-3.15PM
IN THE
SCHOOL
HALL

SHOP

PLEASE DROP ITEMS YOU WOULD LIKE TO SWAP BY THE MORNING OF THE 20TH OF FEBRUARY THEN, COME ALONG IN THE AFTERNOON TO EXPLORE THE ITEMS AVAILABLE.

Collection Date:

BAG 2 SCHOOL

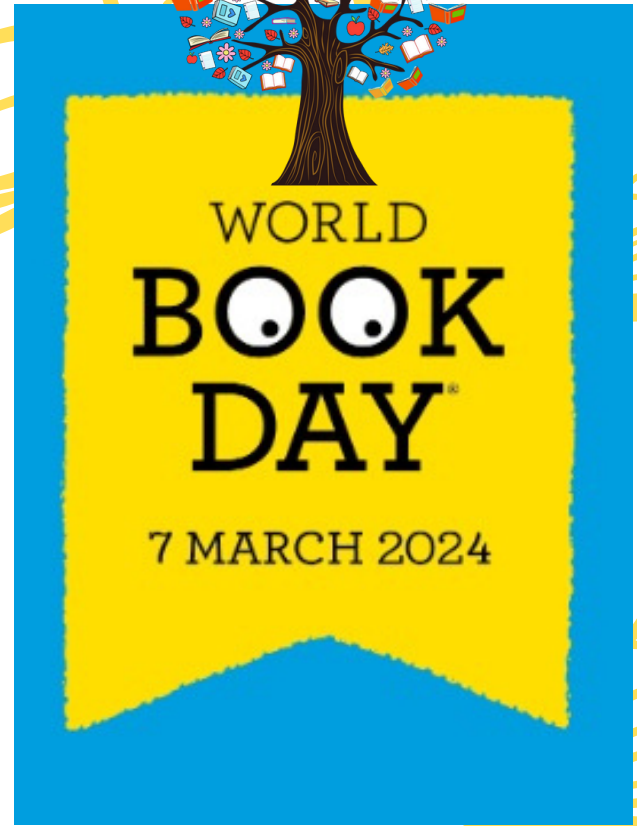

Upcoming Events:

World Book Day Top Hats!

We want to make sure no child is left out of World Book Day, and understand that families may be under significant financial and time pressures. This year we have a lovely alternative to dressing up. We aim to ensure that every child can participate in World Book Day, and can celebrate the stories they love, without an expectation for families to provide a costume. Top Hats provides an alternative to asking pupils and their families to create their own costumes at home.

Our activities will provide your child with the opportunity to get creative and represent their favourite books or characters, all whilst fostering a love of reading through exploring stories and engaging in book discussion. All children can come in non-uniform or a character costume (if they wish) that day & we will be making Top Hats!

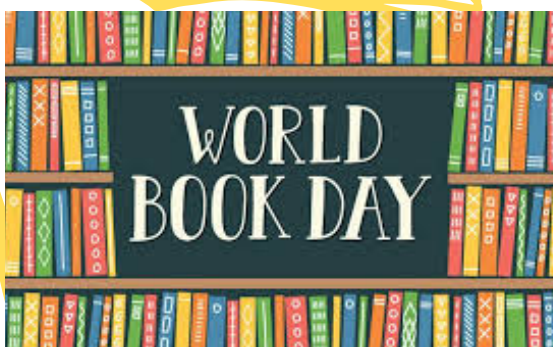

£1 books & using you tokens:

Follow this link which is introducing 2024's brilliant line-up of BRAND NEW £1 books.

Use your World Book Day £1 book token to get one of the brilliant reads for free between 15 February and 31 March 2024.

Upcoming Events:

AS PART OF THE BRITISH SCIENCE WEEK 8TH -17TH MARCH 2024, WE WILL BE HOSTING:

SILLY SCIENCE WORKSHOPS

EXPLOSIVE FUN IN OUR SCHOOL LED BY THE EDUCATION GROUP

The energetic Professor Nitrate will guide our children through a science tour of discovery.

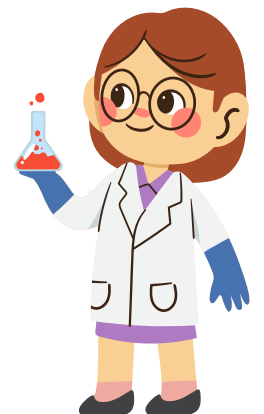

They will learn about elements, why molecules bond, understand the magic of lift and the power of pressure as well as experiencing explosions!

The science behind their experiments is curriculum based. They focus on gravity, thrust, lift, pressure, chemical reactions, fire, molecules and bonds and of course, explosions!

Perfect for the whole school to be inspired about science.

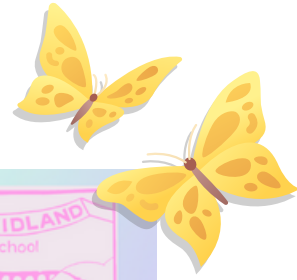

We will ignite curiosity in science with this immersive experience for just £9.50 per pupil.

MARCH 12TH 2024

Upcoming Events:

Trewidland Primary & Pre-School Spring Show

Pupils may enter as many of the following classes as they would like:

1. A spring garden on a biscuit tin lid
2. A handmade flower
3. A poem about Spring time
4. A decorated egg
5. A junk (spring-themed) model
6. A handcrafted animal
7. A spring bonnet
8. A chocolate nest (no nuts)
9. A decorated pebble
10. A rainbow collage
11. Homemade Jam

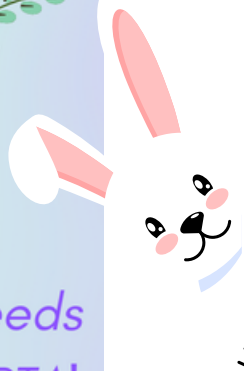

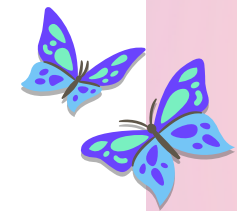

Each entry 50p - all proceeds are going to our PTA!

So get designing & creating!
Make sure you are show ready!

Date: March 20th

Place: School Hall

Everyone welcome to view the show from 1.30pm

Stars of the Week

WELL DONE CHILDREN - WE WILL CELEBRATE ON MONDAY MORNING IN OUR WOW ASSEMBLY.

Charlie N - For his fantastic work on Number Day

Joel - For his amazing story writing

Charlie AT - For his brilliant application to his work

Alexander - For his wonderful participation in music

Jocelyn - For her great resilience in maths

Jack - For his awesome work using prepositions

Jessica - For her enthusiasm for learning

James - For his brilliant writing

Eden - For her superb application to her learning

Alfie - For his excellent mark making

Neythen - For his brilliant application to learning

Dates for your Diary

12th Feb - Half Term 12 - 16th February

19th Feb - School Inset Day - school closed

20th Feb - SWAP Shop & children back to school

27th Feb - Bags2Schools Collection

7th Mar - World Book Day

8th -17th Mar - School Science Week

18th Mar - Parents' Evenings 15.30 - 17.00

20th Mar - Spring Show Afternoon

29th Mar - Good Friday Bank Holiday - school closed

1st April - Easter Holidays April 1st - 12th

Information from Outside Providers:

WHAT ARE THE LATEST RULES AROUND COVID-19 IN SCHOOLS, COLLEGES, NURSERIES AND OTHER EDUCATION SETTINGS?

Respiratory infections, including the common cold and COVID-19, are common in children and young people, particularly during the winter months. For most children and young people, these illnesses will not be serious, and they will soon recover following rest and plenty of fluids. Routine testing for Covid-19 ended in April 2022 and UK Health and Security Agency (UKHSA) guidance says that it is not recommended that children and young people are tested for COVID-19 unless directed to by a health professional. But as the winter months kick in, your child may be showing symptoms that leave you wondering whether they can go to school. Attending school and college is hugely important for children and young people's health, wellbeing and their future. Here's what you need to know.

Can my child go to school if they have Covid-19 symptoms?

As COVID-19 presents a low risk to children and young people, combined with high vaccination rates in the population, there are no longer specific rules relating to it in schools, colleges, childcare and other education settings. Children and young people with mild symptoms such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to go to school, college or childcare. However, those who are unwell and have a high temperature should stay at home and avoid contact with other people where they can. They can go back to school, college or childcare, and resume normal activities when they no longer have a high temperature, and they are well enough to attend. All children and young people with respiratory symptoms should be encouraged to cover their mouth and nose with a disposable tissue when coughing and/or sneezing and to wash their hands after using or disposing of tissues. It can be difficult to know when to seek help if your child is unwell. If you are worried about your child, especially if they are aged under 2 years old, then you should seek medical help.

What happens if a staff member or my child tests positive for COVID-19?

UKHSA guidance says that it is not recommended that children and young people are tested for COVID-19 unless directed to by a health professional. For children and young people aged 18 and under who are recommended to take a COVID-19 test by a health professional and test positive, the advice is to try to stay at home and avoid contact with other people for three days. This is because children and young people tend to be infectious to other people for less time than adults. Adults are no longer required to do a COVID-19 rapid lateral flow test if they have symptoms. Adults with a positive COVID-19 test result are advised to try to stay at home and avoid contact with other people for five days, which is when they are most infectious.
