

## An Incredible Week of Learning

### Exploring World Faiths - Christianity Focus

In both their writing and artwork, children in Farthing Wood class have shown an understanding of the Easter Story and its significance within the Christian faith. Their detailed descriptions and vivid imagery in their writing beautifully captured the essence of this religious event. Their artwork, with its vibrant colors and meticulous attention to detail, brought the story to life in a visually captivating way.

Their dedication to researching and exploring the Easter Story and Christianity is evident in the thoughtfulness and insight apparent in their writing and artwork.

Keep up the exceptional work, children! Your achievements in this project are a true testament to your talent, understanding, and cultural appreciation. You have proven yourselves to be true ambassadors of knowledge and creativity.

### Bringing History to Life

In Hundred Acre Wood Class, the students have thoroughly enjoyed delving into the fascinating topic of the Great Fire of London this term. As part of their immersive learning experience, they had the opportunity to construct Tudor-style houses. To demonstrate how the fire rapidly spread during the historical event of 1666, a few kind students offered the use of their houses. The class observed that due to the close proximity of the houses, the flames easily engulfed one house after another, aided by the strong winds that prevailed.

To further comprehend the construction techniques used during the era, the students engaged in a hands-on experiment where they created wattle and daub walls. Through this activity, they discovered that as the mud component dried, it gradually crumbled away, thereby exposing the underlying wooden structures.

The amount of knowledge gained and the enthusiastic engagement of the students in this project has been truly remarkable!

## Silly Science: An Explosive Spectacle for British Science Week!

🧪🔬 Our extraordinary 'Silly Science' workshops exceeded all expectations! 🧪🔬

💣🔥 We were captivated by the awe-inspiring explosions and mind-blowing scientific demonstrations conducted by the exceptional Professor Nitrate! 💣🔥

🧬🔬 This exhilarating event truly ignited our passion for Science during the remarkable British Science Week celebration! 🧬🔬

### BRITISH SCIENCE WEEK - POSTER COMPETITION!

Get creative and enter British Science Week's annual, UK-wide poster competition! Make a poster about any angle on 'Time' that you like and be in with the chance of winning an array of prizes.

#### Instructions

Encourage your child or group of friends to think about time – what it means to them and how it relates to the science they've learnt about – to come up with ideas to include in their poster. Here are some points and questions to get you going: Get your child/group to think about their own time – how do they spend it? At home, out playing in the park, arts and crafts, learning at school? What about 'time' in the world, and beyond? How do we measure time – seconds, days, seasons, centuries?

What about time in space? Are there any scientists they know of whose work relates to time? What about time travel in films, TV and music? How has technology changed over time?

British Science Week 2024 is the 30th anniversary of the Week, your child/group could use that as inspiration; how has technology changed since 1994?

#### Make your poster

Once they've done the thinking, it's time to get creative! Posters must be A4 or A3 in size and you'll need to be able to take a photograph of each one so it can be sent to us online for judging. You can use pop-up pictures, pull out tabs or use materials such as pencils, paints, crayons and paper to create your posters.

#### Submitting the poster

Posters will be judged on creativity, how well they fit the theme and how well they have been made or drawn, and how engaging they are. Once a poster is complete, take a photo of it and complete the online form to submit it as an entry.

#### Next steps

Celebrate! For more details, along with the full set of poster competition rules and tips, check out the website: [britishscienceweek.org/plan-your-activities/poster-competition](https://britishscienceweek.org/plan-your-activities/poster-competition). Look out for the activities in the pack marked with a paintbrush symbol, they can be a source of inspiration.

Children can create these in school with their friends during breaktimes and lunchtime or at home & bring them in. The choice is yours! Further information is in the community pack shared earlier.

## POSTER COMPETITION

If you're working with young people aged 3 to 14, why not challenge them to get creative and enter British Science Week's annual, UK-wide poster competition! Make a poster about any angle on 'Time' that you like and be in with the chance of winning an array of prizes. Each group or organisation can enter the 5 best posters.

#### Kit list

Paper (A4 or A3)

Creative materials such as:  
pens  
pencils  
scissors  
glue  
watercolours  
paint  
crayons  
pipe cleaners  
felt  
thread  
wool  
toll  
clay  
string  
beads  
stamps  
foam  
pom-poms

#### Instructions

Encourage your group to think about time – what it means to them and how it relates to the science they've learnt about – to come up with ideas to include in their poster. Here are some points and questions to get you going:

- Get your group to think about their own time – how do they spend it? At home, out playing in the park, arts and crafts, learning at school?
- What about 'time' in the world, and beyond? How do we measure time – seconds, days, seasons, centuries? What about time in space?
- Are there any scientists they know of whose work relates to time? What about time travel in films, TV and music?
- How has technology changed over time? British Science Week 2024 is the 30th anniversary of the Week, your group could use that as inspiration; how has technology changed since 1994?

## Trewidland Primary & Pre-School Spring Show

Pupils may enter as many of the following classes as they would like:

1. A spring garden on a biscuit tin lid
2. A handmade flower
3. A poem about Spring time
4. A decorated egg
5. A junk (spring-themed) model
6. A handcrafted animal
7. A spring bonnet
8. A chocolate nest (no nuts)
9. A decorated pebble
10. A rainbow collage
11. Homemade Jam

*Each entry 50p – all proceeds are going to our PTA!*

*So get designing & creating!  
Make sure you are show ready!*

*Date: March 20th*

*Place: School Hall*

*Everyone welcome to view the show from 1.30pm*

## next week

## Spring Show Entry Form

Name of Child: \_\_\_\_\_

Year Group: \_\_\_\_

Entry	Fee (50p per Entry)
<i>A spring garden on a biscuit tin lid</i>	
<i>A handmade flower</i>	
<i>A poem about Spring time</i>	
<i>A decorated egg</i>	
<i>A junk (spring-themed) model</i>	
<i>A handcrafted animal</i>	
<i>A spring bonnet</i>	
<i>A chocolate nest (no nuts)</i>	
<i>A decorated pebble</i>	
<i>A rainbow collage</i>	
<i>Homemade Jam</i>	

**Please print the entry form & complete. Then, bring in the completed form with your child's entries & all fees (in a sealed & named envelope) on Tuesday 19th of March.**

**Thank you**

## Stars of Trewidland

Eden - beautiful presentation and compassion to others

Luna - for creativity & writing

Neythen - for amazing Science contributions

Cookie - for creativity & writing

Elliot - for creativity & writing

Issy - for beautiful presentation & resilience

Charlie N - for hard work & resilience

Joseph - for fantastic handwriting and thoughtful Science questioning

Jocelyn - for a great attitude to all her learning

Lillie - for a great attitude to all her learning

Sophia - for perseverance

Stanley - for enthusiasm for reading

Chloe - for being determined with reading

William - for excellent phonics work

Thomas - for confident speaking

**WELL DONE CHILDREN - WE WILL CELEBRATE ON MONDAY MORNING IN OUR WOW ASSEMBLY.**

## Dates for your Diary

**18th Mar** - Parents' Meetings KS1 & EYFS

**20th Mar** - Spring Show Afternoon

**25th March** - Parents' Meeting KS2

**29th Mar** - Good Friday Bank Holiday - school closed

**1st April** - Easter Holidays April 1st - 12th

**15th April** - Summer Term begins

**16th April** - RNLI Lifeguards Visit & Water Safety Workshop

**13th May** - Y6 SATS Week

**3rd June** - INSET DAY - school closed to pupils

**10th June** - Sports Day - weather permitting

**10th - 14th June** - Phonics Screening

**17th June** - Reserve Sports Day

**17th July** - School Production

**23rd July** - Leavers' Assembly

**24th July** - INSET DAY - school closed to pupils

**Skips Safety Net** Keeping children safe online

**A Parent's Guide to Cyberbullying**

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
