

Dear Parents & Carers,

We hope you are enjoying the delightful weather that has graced us lately, allowing our pupils to relish the vast expanse of our school field amidst the picturesque countryside during their breaks. Let's hope the sunny and dry spell lingers a little longer to brighten our school days. As we progress through this term, we kindly request that you remind your children to bring along their hats, apply sunscreen before school, carry their sunscreen with them, and have a bottle of fresh water with them every day.

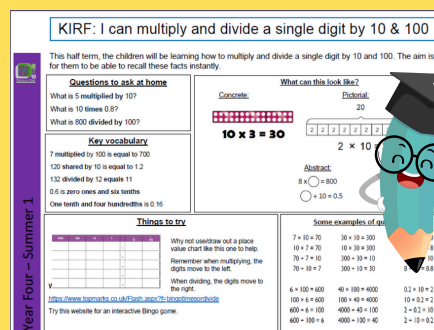

This weekend, an important update: school reports will be dispatched to parents via email. In the event that you do not receive the report or require another copy, please do not hesitate to reach out to us. Our teachers have taken great joy in preparing these reports, acknowledging the wonderful learning and progress our students have made throughout the year. We trust you will find them informative and rewarding as you reflect on your child's growth. Please be aware that Year R reports will be sent out later this term, as was the case last year.

A gentle reminder for all parents: please ensure that your children are escorted by an adult from the car parks to the classroom doors. We have noticed a few children making their own way from the car parks to the classrooms in the mornings. For the safety of all, we kindly ask that you accompany your child to the classroom where our teachers eagerly await to welcome you. Thank you for supporting us in this matter.

Looking ahead to the next few weeks, our Year 6 students are diligently preparing for the upcoming SATs tests scheduled to begin on the 13th of May. It has been inspiring to witness their dedication, resilience in their studies, and their strong desire to succeed. Let us acknowledge and celebrate their hard work, and we wish them the very best of luck in their upcoming national assessments. We are exceedingly proud of all our students!

Wishing you a wonderful weekend,

Mr. Lovell & Mrs. Moore

## Key Instant Recall Facts

We have posted the Key Instant Recall Facts (KIRFs) for this term on our Class Dojo page for your reference.

While we diligently work on these facts in school every day, we truly appreciate the opportunity to witness your mathematical progress at home. Mastering these KIRFs is vital for your mathematical growth, and there are numerous engaging methods to help solidify your understanding.

You can explore various creative learning techniques by referring to your KIRF sheet for additional ideas.

Mrs. Bartlett  
(Maths Lead Teacher)

## Focus on Attendance

**Week: 15/04/2024**

**Farthing Wood: 97%**

**Hundred Acre Wood: 94%**

WELL DONE FARTHING WOOD CLASS FOR YOUR EXCELLENT ATTENDANCE & HUNDRED ACRE WOOD CLASS ALMOST THERE TOO! IT WOULD BE GREAT TO GET BOTH CLASSES TO GREEN WITH OVER 95%!

"EVERY DAY YOU SHOW UP, YOU'RE INVESTING IN YOUR FUTURE SELF. DON'T UNDERESTIMATE THE POWER OF ATTENDANCE."

# TREWIDLAND PRIMARY & PRESCHOOL NEWSLETTER

26th APRIL 2024
