

Dear Parents and Carers,

This week is national British Dyslexia Awareness week. On Monday, Mr Spencer led an assembly to raise the awareness with all. Class 2 also had a visit from Nachele from Healthy Cornwall to talk about the importance of good sleep and the amount of screen time. The children listened brilliantly and asked many super questions.

Wednesday was No Pens Wednesday! Really this is no writing day to encourage the power of talk and oracy through a range of alternative learning activities. Examples of learning during the day included Class 1 practicing doubling and using weights practically in maths and Class 2 completing their arithmetic with calculators. In their English lesson, they spent time drawing and discussing their new main characters.

In Mr Jones' assemblies on Thursdays he is celebrating physical activities. This week Jocelyn shared her 9 gymnastic certificates with everyone. Wow!!! We love to hear about all the things children get up to outside of school so please do bring in to school to show us all any certificates of achievement.

In Class 1 this week, they have loved looking at examples of technology from the past including a typewriter, boom box and rotary telephones. The children have investigated how this has changed up until today and talked about how we use this technology in our day to day lives.

We are all looking forward to the Harvest Lunch. I am thoroughly enjoying learning the Hedgehog song with the children; their singing is beautiful!

Wishing you a lovely weekend.

Best wishes, Mrs Pipe, Executive Headteacher

The NHS have released guidance titled—  
Is your child too ill for school? Really  
useful for common illnesses ...
