

TREWIDLAND PRIMARY & PRESCHOOL

NEWSLETTER 21.11.2024

Dear Parents and Carers,

Last Friday saw the first cross-country race of the season and a first for Trewidland. A HUGE well done to the 10 children who took part - this is the highest and the maximum children we can have take part. We are so proud of every child for their effort and participation in the race. Bring on the next race!

Next week, teachers look forward to meeting with parents for parents evening. As always, if you have any concerns about your child, please do talk to class teachers in the first instance. If you have any concerns which continue, please do contact me via the office or email head@trewidland.cornwall.sch.uk so I can help further.

Don't forget tomorrow, we are closed for staff training. We will be at Saltash Secondary for the day so there will be no-one on site. With regard to the lanes around Trewidland, please do drive carefully as I'm aware of some tricky moments when parents are all coming in/out at once. The safety of all really is paramount.

Next week is looking exciting and busy! On Monday, Reverend Mark is visiting along with a farm and country workshop from the Royal Cornwall Agricultural Association. On Wednesday, children will be making their lanterns for the procession and on Friday we are holding a winter art day where children are developing their art skills and our school will begin to look festive! Please look out for further information regarding the lantern procession on dojo but in essence meet myself and Miss Hume in the Cattle Market Car Park at 5pm.

I hope you all have a lovely weekend.

Best wishes,

Mrs Pipe,

Executive Headteacher

Quote of the Week

"He that loves reading has everything within his reach" - William Godwin

Understanding the Teenage Brain

Watch the recording of Jane Keyworth delivering this online session (one hour 45 minutes) to parents in the UK

"We need every parent and teacher to attend this outstanding presentation. It provides a brilliant exposé of the challenges young people face as they develop from child to young adult. The presentation is very informative but also very accessible and entertaining. I cannot recommend this talk highly enough"

Mr Andrew Mead, Headteacher at Lytchett Minster, UK High school
