

TREWIDLAND PRIMARY & PRESCHOOL

NEWSLETTER 21.03.2025

Dear Parents and Carers,

As the end of the week draws nearer, it's time once again to reflect on the week that has passed. World Oral Health Day was celebrated in school on Thursday – and Mr Jones spoke to the children about the importance of brushing our teeth. The children learnt that this year's theme was 'A happy mouth is a happy mind' and that there are proven links between oral health and physical health too.

Cross country has also been at the forefront of our minds as the next meeting is today. The children have been very excited about this and looking forward to demonstrating their stamina when the time arrives. Good luck to everyone involved.

Mr Jones and Mr Cluer held an Eco meeting with the children and have given litter pick bags to Class 1 and 2 which will be going home to help make a difference to the planet. We look forward to seeing the photos of how everyone has got on picking litter within their community. Our own Trewidland Wombles!

In assembly, we have been singing about Springtime and the children sound great. It really is a wonderful thing to sing together when we gather for these sessions. We have also been thinking about our value of the term: respect. The children know what respect is and have been coming up with ways to challenge themselves to show it. We had suggestions of holding doors open and remembering to say 'please' and 'thank you'. All excellent suggestions! We will continue to praise (and award dojo's) in school when we see these in actions.

Enjoy the weekend,

Amanda Cummings
Head of School

Please could parents label their child's School jumper with their child's name. This would be very helpful. Thank you
