

Dear Parents and Carers,

What a change the weather has brought this week! The rain has certainly arrived and everything is wet and soggy. Yet, this hasn't dampened our spirits in school – we've been working hard and getting out and about in the surroundings as much as we can.

We've had a visit from Big Brush Club who have commended us on the toothbrushing regime we are undertaking with the Early Years Foundation Stage. This is excellent news and great to have the commendation. We've also been thinking ahead to sports day by getting into our colour groups and considering the races/activities we have planned.

Gardening Club – and creative writing club – will commence again on Monday. This is widely supported, and the children had a great first session. Do let us know if anyone else wants to join in. Sports club is continuing on Thursday's. Again, this is very well attended but we do have some spaces if your child is interested.

I also wanted to remind you of the fundraising days coming up. The first is the 'Slip and Slide' which we will conduct after Sports Day (Friday 20th June) - once the school day has finished. We are also running a raffle on Sports Day and so far we have been donated by numerous businesses in the local area lots of really lovely prizes. Raffle tickets have been sent home but if you would like some more please let Mrs Darnley know. The second is a 'Crazy Hair Day' which I am really excited about. This will happen on Friday 4th July and I cannot wait to see what the children create! Both events will raise funds for equipment to use in our outdoor spaces.

All that leaves for me to say is - have a great weekend. I hope the weather improves!

With warm regards

Mrs Amanda Cummings
