

TREWIDLAND PRIMARY & PRESCHOOL

NEWSLETTER 11.07.2025

Dear Parents and Carers,

Skol Gynsa Trewythelan (Hello Trewidland Primary in Cornish!)

This week has seen a return of the sunny weather and it's meant that we've been able to get out into our wonderful surroundings even more. Class 2 had their whole class reading session looking over the valley this week and it was glorious. Playtimes have been filled with football.

We also held our own 'Transition Day' on Tuesday, where the current Year 2's came into Class 2 and everyone had a day where they moved to where they will be in September. Mrs Geeves was onsite for the day and the children had a great time getting to know her. She will be over again this Tuesday coming to continue working with the children.

In Class 2 we were able to move our art lesson outside as we considered the elements of drawing and how important 'close observation' is with art. The outcomes were fabulous.

We've also been working hard on practicing for the Summer Concert next week. We've been thinking of actions for our songs and making sure we can remember all the words. It's certainly been a busy time.

Don't forget, I will be singing with a group of children at St Keyne Church on Sunday 20 July at 9.30 am with Rev Mark Wade. Everyone is welcome so if you want to come along, please do so.

Have a lovely weekend,

Mrs Amanda Cummings

10 REASONS TO PLAY

1 It's good for your health
As little as 10 minutes of table tennis at a time can do wonders for your fitness.

2 It's easy on the body

Table tennis is a non-contact sport (just make sure you move in doubles!) You can play within your own capabilities and limitations and still have a great competitive game.

3 Everyone can play

Table tennis is a truly inclusive sport, anyone can play irrespective of age, physical ability or gender. And it's a great leveler as there's so much more to the game than sheer strength or power.

4 The Generation Game

There are no age barriers to ping pong, anyone from 3 to 100 can enjoy the game!

5 You can play anywhere

Club, sportshalls, office, factory, canteens, cafes, pubs, homes, garden, park, club, community venues, shopping centres, sportshalls, religious centres, village hall, train station, the list goes on and on and on and on...

6 You can play anytime

Ping pong can be played all year round indoors or outdoors, for an entire evening or just in your lunch break!

7 It's good for your brain

FACT: ping pong is good for the brain. It aids complex thinking and increases the cortex (the part of the brain which shrinks with age). Not only that but regular activity can reduce depression, stress and anxiety levels while improving self-esteem.

8 It's affordable

You don't have to spend a fortune playing table tennis. Basic equipment is cheap and so too is table hire.

9 It's sociable

Table tennis brings people together. Have a game with your friends, make some new ones or get to know your colleagues with a friendly game of ping pong!

10 It's fun!

Try the game - we guarantee you will share joy and laughter!

Secret Skills Celebration Certificates

Class 1

- Liam for setting himself a challenge in writing a wonderful riddle in English and using his neatest hand writing.
- Alexander for being more involved by speaking to other adults during carpet time and sharing ideas.

Class 2

- Nyssa for working hard in English and showing her 'Go for it, finish it' attitude.
- Jack for finding solutions in his maths lessons.

Please could all parents when dropping off their children in the morning park in the top car park. This is to avoid congestion at the front of the school and to ensure everyone is safe.

Please could parents label their child's School jumper with their child's name. This would be very helpful. Thank you
